February 13, 2004

To Whom It May Concern,

As the Director of the Next Generation Alliance it is my privilege to recommend to you Mr. Victor Pierce. Victor, a believer from Portland, Oregon is partnering with Rev. Keith Cook and On The Go Ministries, Springfield, Tennessee on a mission to Tororo, Uganda this summer. Victor will be a key team member in sharing the gospel of Jesus Christ through rallies in schools, open markets, prisons and churches in this eastern city of Uganda.

I have personally interacted with Victor on several occasions and I so appreciate his zeal for the Lord, his desire to introduce others to Jesus Christ, and his desire to work with other brothers and sisters in the body of Christ. I believe Victor's ministry, Unique Christian-Proactive Ministries could be effective in reaching youth with a positive message of reconciliation and Christian unity here in Portland. I applaud him in his efforts to bring good news to the youth of our city and unity to the body of Christ

Please prayerfully consider Victor's request for support for him to join this mission and extend his ministry with On The Go Ministries and the Next Generation Alliance.

If you have any questions please call me, Dr. Tim Robnett, Director, Next Generation Alliance.

Working in the Harvest,

Tim Robnett
Director,
